### Chartered Accountants

Media Statement

25th July 2022

#### **Update from Jones Partners, Receivers of Melissa Louise Caddick and Liquidators of Maliver Pty Ltd**

“The Orders obtained in the Federal Court today enable us to proceed to realise the Dover Heights Property with our continued focus on getting the property ready for sale,” said Bruce Gleeson, Principal of Jones Partners.

“The Receivership Property also includes the Edgecliff Property which is currently occupied by the Parents of Melissa Caddick. The Parents have asserted an interest in the Edgecliff Property. We are continuing negotiations with the Parents via their solicitors regarding resolution of such interest. Ultimately if such negotiations cannot be resolved, then an application will be required for the Federal Court to determine the Parent’s interest,” said Mr Gleeson.

“We anticipate filing a further and separate application with the Federal Court in the coming weeks so we can obtain further Orders enabling us to realise the jewellery, clothing, and other remaining items. This follows Orders made in March 2022 enabling the Receivers to take possession of such items.”
