Update from Jones Partners, Receivers of Melissa Louise Caddick and Liquidators of Maliver Pty Ltd

"Following a very extensive and detailed real estate agent selection process, we have today signed an Agency Agreement with Sydney Sotheby's International Realty (Michael Pallier) to bring the Dover Heights Property to market" said Bruce Gleeson, Principal of Jones Partners.

"We are actively working towards having the Dover Heights Property ready for sale in the vicinity of 5-6 weeks," said Mr Gleeson.

"The Dover Heights Property represents a significant part of the Receivership Property of Melissa Caddick and there continues to be very strong interest in this property."

"We will provide a further update towards the end of July 2022 regarding the Dover Heights Property and the realisation of assets".

This follows the Federal Court of Australia ('the Court') orders made by consent in June, enabling Jones Partners as Receivers to continue moving forward with bringing the Dover Heights Property to market. The matter will be back in Court on 25th July 2022.
